

THE DAILY TOMBSTONE.

Old Series

TOMBSTONE, ARIZONA MONDAY EVENING OCTOBER 5, '85.

Volume IV, NO. 51

To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer not only from indigestion, but from general debility, nervousness, and mental depression. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.

PREPARED BY
Dr. J. C. Ayer & Co., Lowell, Mass.

Mr. Smith's Case, and what the Rev. Mr. McKinstry has to say about it.

To THE PUBLIC: I have been a fearful sufferer for fifteen years, most of the time with what has been called Eczema or Salt Rheum, Psoriasis and Lepra, and the skin has become so thick and scaly that there was no cure for me, and have been so distressed that I had to give up my work. I have been so badly afflicted sometimes that there was no one to attend to me, and I was so weak that I could not stand on my feet. I was so weak that I could not stand on my feet. I was so weak that I could not stand on my feet.

I was so weak that I could not stand on my feet. I was so weak that I could not stand on my feet. I was so weak that I could not stand on my feet.
